Comments:

Within 2 days before the actual date of service, provider MUST confirm that the member's health plan coverage is still in effect. With the exception of urgent requests, it is recommended that you do not schedule appointments prior to authorization approval. Emergency services do not require prior authorization and are reviewed retrospectively for necessity. This message is intended only for the use of the individual/entity to which it is addressed and may contain confidential information. If the reader of this message is not the intended recipient, you are hereby notified that any distribution is strictly prohibited.
